## MSF Bella ILR 298508 DOB 5/7/2023 Female MSF Indiana Jones X Bellisimo RTC

Here is a female that screams FANCY! Do you like females that will have that extra capacity, huge bone, wool coverage and the splash of color that a black/white paint can give you? To top it off Bella has an unmatched pedigree that is full of National Champions on the sire side including: her sire MSF Indiana Jones, GNLC Crocket, MSF Lindsey Vonn, and Mystery's Timone.

On the dam side she is very rich in Argentine genetics including Argentine Fresco and Argentine Don Zunca. If you are new breeder looking for a foundation female or if you are a seasoned breeder Bella is one that is unique in many ways and give you many years of great production just like her dam Bellisimo RTC has given us.
