

**Service Sire Donation**  
MSF Esquire  
ILR 293556  
Estevao X MSF Covergirl

As many of you already know we do not normally offer our studs to outside breedings other than when donating to a worthy cause. In this case The Gathering.

MSF Esquire proved himself in the showing by being named National Champion Silky Male along with numerous Best of Shows. Now we will let his offspring do the talking about how they can move other breeding programs forward. Esquire's extreme style, impeccable conformation and beautiful fiber is now being passed to his crias. We also love all the different colors he is producing from the paints, silver and grays and taupe's. Don't let this opportunity pass you by!
