Sijama Zhazam X Giadah

Ollendick Farms Zaiden is a very flashy young male with great presence. He is a very correct, athletic young male. He has a very fluid movement, a high tail set, great neck extension, a great topline, nice bone and incredible silky fiber. He is easy to work with and show and he has a wonderful disposition. His Sire, Zhazam, has produced many champions for us. We have bred his Dam back the same way hoping for another incredible cria. He comes from some of the Industry's best bloodlines including Sijama Zumiez, FPL Electra, Estarla, GC's Inca Legend, Vavavoom, MSF Blue Streak, MSF Blue Chip, Mystery's Timone, Tuna Catcher, and WLK Heat Wave. He will be fun to show and then add to your breeding herd. We will get updated photos before the show.
