

# HAIL TO THE CHIEF

(Doctor P x Sasha Olama)

ILR: 298651 \* DOB: June 6, 2023

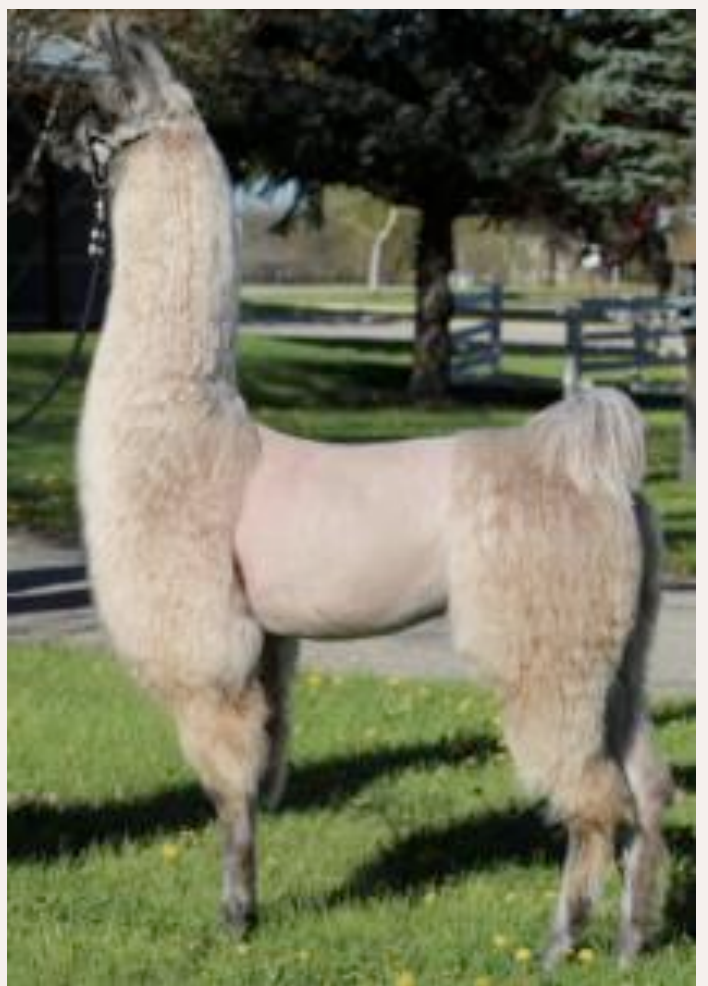

Presenting **Hail to the Chief**, a top-notch herdsire prospect and our consignment to the Gathering Claims Futurity. This exceptionally tall and elegant young male stood out from birth and has only improved with age. In his debut shows, **Hail to the Chief** consistently led his classes and even clinched the **Grand Champion** title at the competitive Solstice Showdown. He's not just conformationally correct, **Hail to the Chief** was halter trained by the midwest's premier youth competitors and, as a result, has a very sweet and willing disposition for grooming, shearing, shots, etc;

His sire, **Doctor P**, has proven his excellence in the ring and breeding pen, producing a multitude of show champions and Best in Show winners. You might remember us campaigning his dam, **Sasha Olama**, around from 2019-2022. She caught the eyes of many exhibitors and judges as she racked up over 10 championship placements and 3 Best in Show titles.

We're offering **Hail to the Chief** at the Gathering Claims Futurity because we want to support the show/sale and because we believe in his bright future. If your herd could use a marketable herdsire whose pedigree is prepotent at producing height, neck extension, style, champagne coloration, and perfectly poised ears, stop by our stall and meet **Hail to the Chief** for yourself.
