Squires Show Stock Rip

ILR 298707

DOB 10/2/2023

Male

KVF Stetson X Shift Kit

We absolutely love this big boned guy! His mama is Shift Kit who happens to be our biggest and best female on the farm! Squires Show Stock Rip has the most presence out of any llama we have had... this guy has been Rip-ing around the farm acting like he owns the place since the day he was born! Plus he has the absolute best personality- he's going to be a very hard one to let go of!!

He has only been in two shows and he has 2 blue ribbons and a best in show already! At just 8 months old this guy has a huge show future ahead of him and an even better future as a powerhouse stud! Buy him, show him, win, then make beautiful babies!! We can't wait to see where this guy takes you and your breeding program!

Also, depending on buyer preference we would like to discuss with the buyers the possibility of retaining a few breedings to him for the future!
