WCF Iron Man X Sugar's Pepper Surprise

JRF Spice Girl is a super sweet girl with amazingly soft fiber. In addition, to her great fiber, she has the width and depth of body to ensure plenty of room to carry future cria. Spice Girl (aka Girly) is out of first time mom (Sugar's Pepper Surprise) who was Joe's favorite show llama for many years. Girly's dam has the best disposition on the farm and has passed her good nature on to her daughter. Girly's sire, WCF Iron Man is a very rugged built male with plenty of width and substance. This pairing made a very complete package for the discerning buyer!
