

## Ollendick Farms Camry

Consigned by Ollendick Farms

ILR #299864

DOB 6/30/24

Female

Ollendick Farms Camry is a very special flashy young female, We always consign one of our Best to the Spring Sale and Camry is a complete package, very correct conformation, nice bone, great movement, impeccable top line, long neck, very feminine yet athletic looking, with a beautiful head and ears and beautiful fiber. She is the first offspring female out of Ollendick Farms Caine, a Tall grey suri male with abundant bone, a Cainan son. Her Dam is a Sandstone daughter out of a Zhazam female. This female has our best genetics including GNLC Caspian, Sijama Zhazan, Sandstone, GNLC Dom, Sijama Zumiez, Ollendick Farms Kianna just to name a few. Show her, win some ribbons and then add her to your breeding program, Camry is going to be a big Tall female, Don't miss this opportunity.
