SRLL Meraxes X RCF Wonderstruck

AKA “The Golden Boy” RCF Crown Royale is a very special llama with a royal pedigree. His dam is none other than RCF Wonderstruck (GNLC Caspian x RCF Coco Chanel) and he is sired by the notorious SRLL Meraxes! He is the full brother to RCF Hard Whiskey who now resides at Fire Rock Llamas in Oregon.

Crown Royale’ has an impeccable conformation and was selected Grand Champion Silky male at his first show! He also has a very pleasing disposition and is definitely one of the most intelligent in his group of peers. We are certain Crown will make his new owner an excellent show partner before assuming his herdsire role on some lucky new farm. Don’t miss out on this opportunity to advance your program to the next level.
