**MSF Esquire x Fiona Leigh**

**This was a tough decision to make, but since numbers of sale entries were initially low, I decided to offer her.**

**This girl is sired by MSF Esquire, a renowned champion and an elite stud in his own right. Fannie's dam, Fiona, has a rich heritage of Hinterland blood and is also the dam of SWLC Fivel, a phenomenal male purchased by the Pottebaums a few years ago.**

**Fannie has been shown a few times and has placed very respectably. She comes with a free breeding to any of the males owned by Southwest Llama Co. Let my loss be your gain !**
