

**Mach's Tennessee Whiskey  
Herdsire Donation  
ILR# 290473  
3/3/2017  
Argentine Mach One (ET) X Whynot**

**Scheck's Southwest Secrets is excited to donate a breeding to our premier herd sire, Mach's Tennessee Whiskey, at this year's Gathering Sale!**

**T is best described as those who see him as "over the top." Beautiful, fringed ears, extreme fiber coverage, massive bone, and a sweet personality compliment his substantially built frame. Each of these characteristics come by no surprise given T's pedigree. Argentine Mach One has established a reputation of excellence by being one of the first "Sire of Distinction" title recipients. T's dam, WhyNot, is equally as impressive. She was a gorgeous W line female bred by Kay Patterson, who consistently produced elite crias that excelled in the show ring and breeding pen.**

**T's cria have consistently exhibited his clam personality, high quality fleece, and correct conformation. To name a few: 3SF Whiskey's Dymond Jubilee has been retained for our breeding program after winning numerous grand and reserve championships. ILB Whiskey's Ruby Dream earned nearly 20 grand/reserve championships, a National Champion title, and 3 Best in Shows. T's youngest cria crop looks like it may be his most notable yet – keep your eyes peeled for them in the ring! Join the fun and bid with confidence on this elite herdsire!**
