LLA-Mirage Deuces Wild x SRLl Margherita

We are excited to announce our consignment to the 2024 Gathering Sale, SRLl Manfred. Manfred has a great pedigree and is an all-star himself. Manfred has earned Halter Certificate of Excellence in both the ILR Show Division as well as the ILR Universal Awards Program. He has excellent conformation, is easy to work with, and is always showy.

Manfred has a nice wide base, upright posture, and flat topline. He has excelled at performance as well, as a willing and eager learner; one of our easiest to train and handle to date. He has been so sweet with our three girls and his pasture friends. We are sad to be putting Manfred in the sale, but with his cria on the way, and adding new bloodlines to our herd we want someone else to be able to cherish and utilize him either as their new herd sire or as a great show partner.
