## 3 in 1 Package

FTL Sugar Breeze Honey ILR#289474 6/6/2012 Peruvian Voldemort X Collorama's Dots, Spots, And Glory

Cria at Side – Sire GNLC Scorcher Halo RTC ILR # 300245 5/6/25 Female Service Sire for 2026 Cria GNLC Scorcher Bred Date: 5/2025

RTC Llama Ranch is offering FTL Sugar Breeze Honey with a FEMALE GNLC Scorcher cria on the side, Halo RTC. Sugar Breeze Honey is bred back to Scorcher and due in May or June 2026.

Sugar Breeze Honey is a great Mom, easy breeder, in fantastic condition and has had six cria's in the last seven years. She is vey sweet, straight and has tons of suri locked fiber.

Halo RTC was a WOW the minute she hit the ground. She is very straight, has a high tail set and suri locked to the skin fiber from ear to toe with great fiber coverage. She definitely has stretch with bone and fantastic ears too. Halo RTC will do great things in the show ring, while you're waiting for her full sibling to arrive.

This 3 in 1 package could accelerate your breeding program. Sugar Breeze is in great shape and will be 13 at sale time. Halo RTC will be 45 days at sale time so you have time to work with her and get her in the show ring!! This package sells with the RTC guarantee. For updated pictures and more information call Randy or go to the RTC website. www.rtcllamaranch.com
