Khaun RTC X CVL Pride's Vintage Rose

Sassy is a young, flashy maiden out of our KVF Timone's Pride daughter. Although her name suggests an attitude, she is quite sweet & friendly. She is sporting a nudie haircut this year but don't let that fool you. She has heavy fiber just like her sire and dam.

Her sire, Khaun RTC has many Grand Champion titles to his name, most notably at the 2019 March Llama Madness show. He also has multiple fiber achievements, which contribute nicely to his offspring. Rose has notable achievements as well, including Reserve Champion at the 2016 Gathering.

Sassy is a genetic powerhouse with the beauty to back it up. Turning 3 years old this fall, she comes ready to be bred to your favorite stud.
