Citation MVVR X RCF Coco Monique

The Gem of the future is this beautiful Black and white girl out of the top tier of our herd! Her mom is RCF Coco Monique named for her paternal Granma and SRL Meraxes' mom SRL Monique. Monique is also the full sister to RCF War Cry and RCF Geronimo making all three out of the incomparable RCF Coco Chanel! Beauty is sired by Citation and exhibits his black/white color pattern as well as his Argentine coverage to the ground, front and rear. And beneath that coverage is an impeccable, correct skeleton. To top it off she has a very gentle, pleasing attitude and will make someone an excellent show partner before becoming a fixture in your breeding herd. Look closely at RCF SHEZA BEAUTY if you want to take your herd to the next level!
