OTF Premier Grand Cru Classe
ILR # 300310
2/12/25
Male**

**Service Sire for 2026 Cria
Ollendick Farms Caipryn
Bred Date: 5/22/25**

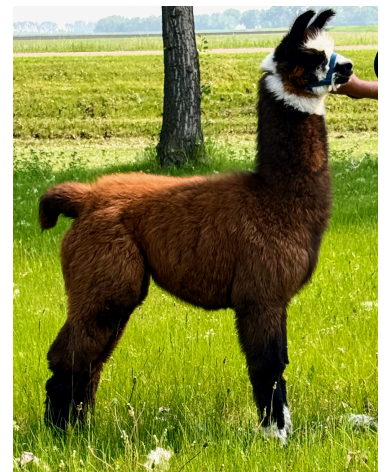

New Leaf's Sweet Daisy Cakes is a very well-balanced llama, her fluid motion coming and going away is passed on to her offspring, her massive bone is seen from quite a distance, her extended front-end ties in exceptionally well with her topline to give her that picture perfect look!

By her side is her 02-12-2025 cria Named: Premier Grand Cru Classe. Cru is out of the extraordinary Kremont "The Gathering Grand Overall Silky Male in 2023!" Kremont had the high selling male at the 2025 Spring Show case too! Kremont stamps them so far with most level kitchen counter top-lines as they come, amazing front ends that are extended and well-spaced, and the bone is outstanding! We are excited to see this young male grow and show to his full potential in his new herd!!

Let's not forget that Daisy Cakes is bred to Ollendick Farms Caipryn #296771. Caipryn has multi-Grand Suri Titles & Best in Show to his name. His amazing locked suri fiber has won him accolades, the massive bone and correct feet/leg placement will be an attribute to any pairing, and his overall correct proportions will make for a stunning cria in 2026! For videos and more information please contact Blakely Harter.
