

ALCL EMBER

ILR #299400 - Female

DOB 4/14/2024

MSF Pinnacle x ALCL Domonique

Consigned by Log Cabin Llamas

We are excited to introduce ALCL Ember, who comes from the heart of Log Cabin Llama's breeding program. Ember's maternal pedigree is loaded with some of our very best, with relatives such as ALCL Jim Dandy, ALCL Mountain Phantom, and ALCL Spats, to name a few. Though Ember may be solid colored, she has still caught the attention of every judge she has stood before, being named Grand or Geserve Grand Champion almost every time she has left the farm, including being a part of the National Champion Get of Sire in 2025. This is a powerhouse female who could become a cornerstone for some lucky farm. Don't overlook ALCL Ember on sale day!
