

MSF Caitlin

ILR #300718 - Female

DOB 5/30/2025

GNLC Amico x MSF Brees

Consigned by Mark Smith Farms

MSF Caitlin's sire, GNLC Amico, needs no introduction where he was a multiple Best of Show winner before starting his breeding career at Mark Smith Farms. Her dam, MSF Brees was our striking jet-black showgirl from a few years ago. Caitlin shares that same beautiful silhouette from both her sire and dam. To sweeten the deal and support the future of the industry, if a youth buys her we will breed her free of charge to any of our studs when she is old enough. If you are looking for a sweet show girl that will grab any judge's eye, then you need to take this one home!
