

NLFC LE' CLARA MAY

ILR #299666 - Female

DOB 10/14/2024

RCF Lone Eagle x LHC 24 Carat

Consigned by Northern Lights Farming Co.

Clara is a very sweet llama willing to learn, and desires human contact. She trailers, transports and shows well without stressing herself or others around her. She is structurally sound with a solid topline, legs under shoulders with nice width, and great neck-to-back proportions. I absolutely love her tail set and shiny, silky soft fiber with great luster.
