Courtnee, the breeding behind Outlaw just doesn't get any better than this. GNLC Crocket needs no introduction with over 140 crias sired by him with many of them being National Champions. Courtnee is a daughter of the famous LAMS Nutcracker and Mighty Joe's Daphne who is also the dam of MSF Show Stopper, MSF Purple Reign, MSF Showtime and MSF Show Topper, one of our lead 2026 show males.

At just 3 shows in 2025 (The Gathering, Ohio State Fair and Indiana State Fair) Outlaw was undefeated in the juvenile male class. He was the National Res. CH at the ILR National Show. Winner of the Best of Show Male at the Ohio State Fair. The last time he was shown was the Indiana State Fair where he won a Champion and Reserve. With a pedigree like this and the conformation that he has, the guess work will definitely be taken out of this future Stud!
