

MSF 4L&M Black Pearl

ILR #298354 - Female

DOB 8/28/2023

Indiango Merlot x 4L&M Epitome

Consigned by Animal Acres Llamas

This female brings it ALL to the Party.

- A unique pedigree top and bottom to cross with your favorite male. Take a close look at her solid bloodlines that built the foundation of our industry over the years. Extraordinary lines in both her sire and dam. We purchased her dam bred from the Llama Pickin' sale just for her pedigree!
- Solid frame, gorgeous fleece, lovely head and ear – wonderful correct presentation
- Continue to enjoy her in the show ring this year or start her breeding career when you get her home.
- Pearl consistently places in the top of her halter classes and has proven to be an amazing performance girl (2025 Certificate of Achievement ILR Halter and Certificate of Excellence in the Performance Division). CeAnna Jaeckel took her to the top of the performance charts this past year and she has so much more to achieve.

She comes with the Animal Acres fertility guarantee as a maiden breeding female.
