

SWLC TULSA

ILR #300570 - Female

DOB 3/28/2025

Sijama Tully x MBL Tiamaria

Consigned by Southwest Llama Co.

Here's your chance to get a girl that combines the genetics of studs that have made themselves household names. GNLC Hightower, Sijama Ikandy, Fivestarr, LAMS Nutcracker and White Heat, amongst many others have lent their influence to this wonderful girl. She has been SUPER good headed from birth, is strong topped, silky fibered, long necked, and has a nice disposition!

Her dam was the Reserve Champion Medium wool female at the 2023 Gathering, her paternal sister was the Champion Silky Female at the 2025 ALSA Grand Nationals and I am sure Tulsa has shows of her own to win in the future. As with all other females that I offer in a public sale, she is welcome to come back and be bred to any male I own when she comes of age.
