ILR #301054 - Male

DOB 9/21/2025

Sijama Tully x Fiona Liegh

Consigned by Southwest Llama Co.

Here is a fancy show and stud prospect !. As of this writing, he is still on his mom and will be just six months old at sale time. His sire, Sijama Tully is a silky 47" GNLC Hightower son and his dam is a heavy woolled Hinterland influenced female. Tuscan's maternal sister by MSF Esquire, sold to Char and Deb Arendas last year and went on to win the Medium Wool Female at the Big E, and his maternal brother sold to the Pottebaums a few years ago and also was shown to success. Another Tully offspring was the Champion Silky female at last year's ALSA Grand National for owner Lori Corbin. I have high expectations that Tuscan will follow in his sibling's footsteps!
