ILR #300961 - Male

DOB 7/7/2025

Strippin' Gears x Ollendick Farms Zylina

Consigned by Ollendick Farms

Ollendick Farms Zalan is a very Special male and pictures do him no justice, He is very solid, tall and stretchy, and very correct with fluid movement. He has been an eye catcher here on the farm. His fiber is gorgeous. His Dam Zylina was a show champion for us, she is out of Ollendick Farms Kianna (our farm favorite) and Sijama Zhazam, His Dam Zylina is one of our best Zhazam daughters and one of our best producers, producing show champions and futurity champions. Zalan has the bone and athletic built like his Sire: Strippin' Gears and Grand Sire; Switching Gears, He will be fun to show and a Great Herdsire prospect.
