

BIDDER’S CHOICE

SALR ABSOKUTELY

ILR #298602 - Female

DOB 10/2/2023

LUA Show My Flash x SALR Korona

Consigned by Spacey Acres Llama Ranch

The “Golden Girl” with a winning pedigree! If you are looking for a “show-stopping” gal with fleece to die for and the genetics to back it up, meet SALR Absokutely. This stunning girl features a unique gold fleece with silver underneath that shimmers and shifts color in the sunlight. She is the firstborn cria of our dam SALR Korona, a half-Argentine finished halter champion with multiple Best in Show wins. Her sire is no slouch either – LUA Show My Flash is a standout silver Showstopper son owned by Maryanne Stein of Absolutely Llamas & Alpacas.

Abby boasts heavy, draping fleece with incredible luster and a sophisticated color palette. She is gentle, easy to handle, and “kute” as a button! She is a pleasure to work with in the barn and in the ring. She comes microchipped with full health records, up to date on vaccines and meningeal worm preventative, and will have a pre-auction fecal test and treatment if needed.

Add the “Midas Touch” to your herd with this golden opportunity!

BIDDER'S CHOICE

SALR FEMME FATALII

ILR #298805 - Female

DOB 11/2/2023

Hard Rock's Campaign Fortune x SALR Sriracha

Consigned by Spacey Acres Llama Ranch

A Chocolate Lover's Dream. The ultimate blend of substance, luster, and global genetics. If you are looking to add bone without sacrificing fiber quality, Fatalii is your girl! She is built to be a long-term foundation female for any serious breeding program with her exceptionally square, correct, large-boned frame – the true definition of “sturdy.” Her heritage trifecta brings together the best of Chilean, Argentine, & Peruvian lines. She is sired by Hard Rock's Campaign Fortune, son of the Gerken's legendary sire Campaign. Her dam is our brickhouse paint, SALR Sriracha, the daughter of our sire Argentine Remington (ET), with her dam carrying the legacy of Brant's Peruvian lines. And, like all chocolates, she is sweet and will melt your heart! Fatalii is “turn-key” ready for your herd. She is microchipped, current on all vaccines & meningeal worm preventatives, and will come with a fresh fecal test/treatment and all prior health records.

Don't miss the opportunity to bring this chocolate beauty home!
