

HARD ROCK'S BREAKIN' HEARTS

ILR #299826 - Female

DOB 8/2/2024

Hard Rock's Follow My Tracks x Hard Rock's Heart's Desire

Consigned by Hard Rock Llama Co.

Hard Rock's Breakin' Hearts is a tall, correct, and stylish suri female whose exceptional quality reflects the strength and consistency of her pedigree, being the third consecutive Best of Show winner produced from this proven cross. Her dam, Heart's Desire, a National Futurity and Silky Female Best of Show champion, is a large silver female who has consistently outproduced herself on our farm, and her sire, Hard Rock's Follow My Tracks, is an impressive outcross male known for exotic bone, true suri fiber, and daughters that have become the foundation of our next generation of producers.

This cross has already delivered excellence, with her full sister, Follow Your Heart, retained in our herd, and her full brother, Hard Rock's White Night, moving on to Isaac and Ali Beck after a standout show career to begin breeding. Breakin' Hearts herself was the 2025 National Champion Suri Female, won her futurity class at the ILR Nationals, and has consistently placed at the top of competitive classes. She is a large, powerful female with a bright future ahead ready to continue her show career before moving into production in your front pasture.
