A Penny For Your Thoughts, Wow! We were blessed this past season with some beautiful girl crias however (Penny) is gorgeous. This amazing girl is the package. Not only is this breeding full of some true grade A llamas Penny has a tremendous coat, beautiful features, a super friendly temperament, a love of playing and climbing, confidence in the herd and an early ease of training. Time will tell but with work and training this beautiful llama has tons of potential ready to bust out. Penny was born and raised at Old Farm New Farm Llamas, 1 hour west of St. Louis, Missouri. Feel free to contact us for any of your questions at 314-873-5259. My daughters also love receiving updates or pictures of any crias we sell. Thank you for your interest in this wonderful girl. Sincerely, Greg Bley
