Cassie is a 6 month old half Argentine female out of Cinnamon RTC, who is a daughter of GNLC Scorcher and a silver female from the Pleasure Valley breeding program. Cinnamon is a gorgeous red silky with size and tons of stretch and bone, with a sweet disposition to top it all off. Cassie's sire is a big boned extreme heavy wooled *appy* full Argentine by the name of Argentine Voodoo King. Voodoo is a finished halter and performance champion, so he adds brains and conformation. Cassie has gotten all the good stuff from her bloodlines: brains, bone, great head and ears, nose to toes fiber coverage and a super sweet demeanor. She is ready to go in any direction for you and then in a couple of years, you can add her to your breeding program. This little girl is ready to go places!
