

LONGENECKER LLAMAS MALLORY

Mallory is quite special to me. The first female I raised and campaigned successfully. She was BOS at the ILR show at the Ohio State Fair.

A daughter of ALSA National Champion MSF Denali and out of an ALSA Reserve National Champion raised by the late Mindy Reid. White may not be your color, but she is high style, long necked, sweet and exposed to Quentin M03.

If I didn't recently move and had a facility for my llamas, she would not be for sale.
