

GHLC DALAI LAGER

This special yearling boy has an unusual lineage. Are you looking for something to breed your girls that are related to everything? Here you go. Lager is your boy.

He'll be 2 in September and has the bone of his sire and the coloration of his dam.

His sire, Guinness Draught was the last offspring of Kobra's Gwendolyn, a beautiful grey girl that was used as an embryo transfer. Guinness was her natural born son. Guinness is a laid-back boy with abundant wool and bone.

Lager's Dam is GHLC Sequoia, a MRLE Bring It On son, Chilean Ozmar son with Justina's Legacy as a great grand dam. Some great old bloodlines here! While he is young right now, he should mature into a wonderful boy to service your great females.

GHLC FRAULEIN

This tall, almost 2-year-old has always been one of our standouts. She has a great head and ears, long neck and a beautiful silhouette. I can pick her off the hills way in the distance.

Her dam is a stretchy Guinness daughter by a Totally Nuts daughter. Her sire is by JNK Marcus Versace and PVL Chilean Self Indulgence.

We planned on keeping this one but wanted to support The Gathering Sale. Our loss is your gain.

GHLC BREW BARRYMORE

This girl we bred to LUA'S Show Stopper's Reflection on 5/12/26. He is our Grand Champion silver boy and this should be a good match.

Brew Barrymore is a sweet girl with a beautiful face. She is calm, quiet and easy to handle. Her dam is a wonderful appy by Amaryliss TCL and Totally Nuts. The silver should shine thru on her offspring.
