

SWLC LL MUY BONITA

Here we have a coming two-year-old daughter of National Champion, MSF Denali and elegant and exotic Sijama Boudicca. This girl may not be the biggest when it's all said and done, but she is bred right and has the potential to be a knockout production female. She should definitely have some fans on sale day. Bonita comes with a complimentary breeding to any of the males we own after she is of age.
